

Semester 1, 2026-27
French Language Modules offered to Visiting Students
(Core hours & Contact Person)

If you are a Visiting Student wishing to take **FR110**, please attend the proficiency exercises with Dr. Maura Stewart: Monday 12pm, 7th of September in the D'Arcy Thompson Lecture Theatre (Arts-Science Concourse).

Language classes don't start until the week beginning 14th September. Timetable on our website. You will need to be assigned to a group. Contact Dr. Stewart: maura.c.stewart@universityofgalway.ie
[Please note: this is not a Beginners' level; students will have completed 5 years at secondary school]

This semester one module is for visiting international students. In tandem with the semester two module FR111 Language 2X**, the module aims to develop students' spoken and written skills in order to bring their proficiency in French **from Level A2 to Level B1 of the Common European Framework of Reference for Languages**. Students will be engaging with a range of oral, aural, translation and written exercises.

If you are a Visiting Student wishing to take either **FR266** French Language 5 or **FR379** French Language 6, please see information below as regards CORE HOURS and person to contact.
For Students here for Semester 1 only, the respective codes to use when registering for S1 only are: FR2201 and FR3201 respectively.

FR266: Wednesday at 1pm; Thursday at 11am PLUS one conversation hour (PLUS one language lab hour TBC) per week. Contact Dr. Krauthaker: marion.krauthaker@universityofgalway.ie
This module aims to develop students' spoken and written skills in order to bring their proficiency in French from **Level B1 to Level B2 of the Common European Framework of Reference for Languages**.

FR379: Tuesday 1pm, Thursday 12pm and Friday 12pm (PLUS a language laboratory hour TBC).
Contact Dr. Blom: marie.blom@universityofgalway.ie
This module aims to develop students' spoken and written skills in order to bring their proficiency in French to **Level C1 of the Common European Framework of Reference for Languages**.
