The Rory Kavanagh Bursary

One Second-Year Student will benefit from this generous bursary, set up by the family of an NUI, Galway graduate of Italian. It is named the "Rory Kavanagh Bursary" in memory of Rory Kavanagh, a 1993 Bachelor of Arts graduate who died tragically in 1996. Rory spent one year as an Erasmus student in Bologna, Italy (1991-92) and whilst there, he developed a great fondness and understanding of Italian culture, language and life. Because of this, his family considers that the most meaningful memorial to him would be to enable another young person to have a similar enriching experience. Accordingly, they make available a bursary. There will be an open competition for this award among all students eligible for an ERASMUS placement. Students will be advised about the application guidelines and eligibility criteria during the semester.

Year Abroad (Erasmus)

Students who wish to study Italian can do so as part of the B.A. (Global Experience) GY129, the BA (Global Languages) or as part of denominated degrees (including, among others the BA (History and Globalisation), the BA (Music), the BA (Children's Studies), the BA (Theatre and Performance), the BA (Human Rights), the BA (Film Studies), the BA (English and Creative Writing), the BA (Journalism) etc.

In order to go on a year-long ERASMUS period in the third year of their degree students need to obtain an overall pass in each of the languages that they are studying in the Second Arts Summer Examination. The discipline of Italian has ERASMUS exchanges with the following universities: Bologna, Genova, Torino, Trento, Udine, Milan, Urbino and Verona. Year Abroad Places will be allocated by the ERASMUS Coordinator in November 2024 for the academic year 2025/2026.

Courses taken abroad are subject to the approval of the relevant disciplines and it is the onus of the students to ensure that this is done. Full credit will be given for courses taken and examinations passed by the student while in the host university. Students who do not obtain the requisite credits will be deemed to have failed the year.

Students on ERASMUS are NOT be required to pay fees at the host university. They are, however, liable for fees the *University of Galway* for their year on ERASMUS. Students who are normally in receipt of a grant will need to liaise with the relevant County Council in relation to their grant. All students on ERASMUS are also entitled to apply for and subsequently receive an ERASMUS grant for the duration of their stay.

BA (Global Experience)

This is a four year programme which involves the study of at least one modern continental language to degree level and a mandatory one-year period of ERASMUS in the third year. Students who are studying Italian with another continental language are required to split the ERASMUS year and to spend a semester in Italy and a semester in a country where the other language that they are studying is widely spoken. Students who are studying two languages who opt to spend the full year in one country rather than split the year between two countries MUST ensure that they spend a MINIMUM of 12 weeks in either the summer of their 2nd year or the summer of their 3rd year (or a combination of both) in a country where the other language that they are studying is widely spoken. They should note that this residency period must be organised by the student at their own expense and that upon its completion they will be required to furnish the Discipline of Italian with satisfactory documentary evidence of the time that they spent abroad. (A list of suitable evidence is available from the School Office and website).

BA (Global Languages)

This is a four year programme which involves the study of either two or three continental languages to degree level and a mandatory one-year period of ERASMUS in the third year. Students who are taking two continental languages HAVE TO split the ERASMUS year between two countries. Students who opt to study three languages should not that they are also required to spend a period of residency in a country where their third language is widely spoken. This period must be organised by the student at their own expense and upon completion of the residency they will be required to furnish the School with satisfactory documentary evidence of the time spent abroad (A list of suitable evidence is available from the School Office and website).

Denominated BA Degrees with Italian

Students who are taking Italian as part of a denominated degree (BA (Children's Studies) etc are encouraged to spend at least one semester in Italy. They may choose to do this in an ERASMUS university, subject to the approval of the relevant disciplines or on a work placement in that country. They are not automatically entitled to an ERASMUS place (unless, as in the cases of the BA (Music), the BA (Children's Studies) and the BA (Theatre and Performance) special ERASMUS exchanges have been established by the respective Disciplines. The Discipline of Italian strongly recommends, however, that to avail of a one or two semester ERASMUS place where possible so as to ensure that they have the necessary level of Italian to enter the final year of their degree. Successful completion of the year abroad (including satisfactory submission of all reports, assessments, etc.) is required In order for a period of ERASMUS abroad to be validated by the denominated degree in question. Students studying Italian as part of denominated degrees who do NOT go to Italy on ERASMUS are strongly advised to spend a total of 12 weeks in Italy in the summer of their 2nd and 3rd years of their degree.

Marks and Standards

NB: Please note that in accordance with NUI, Galway's Marks and Standards regulations: At degree level, honours will be calculated on the basis of 30% of the aggregate mark obtained at the second year examinations and 70% of the aggregate mark obtained at the final year examinations. Students should thus be sure to do the best that they can in their Second Year examinations as Second Year marks will impact on the Final Degree Grade.

We also encourage students to familiarize themselves with the College of Arts rules and regulations regarding compensation. Please bear in mind that a fail in language cannot be compensated.
