& Engineering

Are your students interested in studying or working in Science? Would you like to get a glimpse of our programmes in the School of Natural Sciences? Get a flavour for life as a scientist?

You can nominate two students to participate in our week-long learning experience in the School of Natural Sciences, during which they'll interact with scientific instruments, gain scientific investigation, analysis and communication skills. Students will be trained to communicate their experience and learning to the course members, and to their own classmates.

Venue School of Natural Sciences,
University of Galway

When April 28th -May 2nd 2025,
Monday to Friday from 10AM to 4PM

How to register Schools and teachers can register interest on behalf of their students through the link at the QR code above

[Click to see our web page for videos of previous TY learning experiences](#)

Spaces are limited and so we limit nominations to two per school. Places will be offered to selected candidates that have been submitted by **14th February 2025**.

Places will be secured by returning a filled consent form which will be sent to selected students before Mon 3rd March 2025.
