

 MINNESOTA STATE UNIVERSITY MANKATO

Visiting/Exchange International Student Program 2024/2025

About the MSU Mankato Exchange/Visiting International Student Program

Minnesota State Mankato offers students the chance to study at our university as a visiting international student on an F-1 non-degree student visa or J-1 exchange visitor visa. The objective of this program is to provide students an opportunity to earn university credit or complete a short-term English program in the United States, and return to their home university to complete their degree. Visiting international students may study at Minnesota State Mankato for 1 semester (fall OR spring), or 1 academic year (fall AND spring).

Applicants with TOEFL iBT score 61 or higher, or IELTS score 5.5 or higher may enroll as regular students and take 12-16 credits of academic coursework per semester.

Applicants with TOEFL iBT score between 54-60, or IELTS score 5.0 can be placed in the Advanced level of the Intensive English Program (IEP) in their first semester before moving to regular admission in their second semester. Advanced level students in the IEP take 3-4 English courses (4 hours per week per course), and up to 2 academic courses for a maximum of 8 credits (8 hours per week).

Applicants with TOEFL iBT score between 20-54 or IELTS score between 3.5-4.5 can be placed in the Intermediate or Beginner levels of the IEP and take 5 English courses for 20 hours per week.

IEP Placement

A student is placed in **one** of the four IEP levels according to the TOEFL or IELTS score that the student sent to the MSU Admissions Office prior to the beginning of his/her first semester in the Intensive English Program. IEP students are placed in a specific level according to the following criteria:

Advanced Level:

- TOEFL iBT 54-60
- TOEFL ITP 480-499
- IELTS 5.0

High-Intermediate Level:

- TOEFL iBT 47-53
- TOEFL ITP 455-479
- IELTS 4.5

Low-Intermediate Level:

- TOEFL iBT 31-46
- TOEFL ITP 400-454
- IELTS 4.0

Beginning Level:

- TOEFL iBT 20-30
- TOEFL ITP 340-399
- IELTS 3.5

Obtaining Regular Admission

There are currently three ways that IEP students can obtain regular admission:

Method #1:

IEP students who successfully complete the Advanced Level with a B+ average (3.5 GPA) and obtain at least a B in each of their courses will automatically matriculate to regular admission without the need to show a test score.

Method #2:

Take the **institutional TOEFL Test (TOEFL ITP)** that is administered to all IEP students in all levels at the end of the semester and **obtain a score of 500 or more**. It is important to keep in mind that the TOEFL ITP consists of only a reading comprehension section, a listening comprehension section, and a grammar section. It does not include a writing or a speaking section.

Method #3:

Independently take the **TOEFL iBT** and achieve a **score of 61** or more OR take the **IELTS** and achieve a **score of 5.5** or more. The TOEFL iBT and the IELTS consist of a reading comprehension section, a listening comprehension section, a writing section, and a speaking section.
