INSURANCE

For non-European students: You must take out private insurance that covers you for repatriation during your entire stay in France. You can choose to include medical coverage. Alternatively, **you can also register with the "Sécurité Sociale"**, the French government health insurance program, which is free for everyone.

For European students (EU/EEA/Switzerland): You must bring your **European Health Insurance Card (EHIC / CEAM)**. This card allows you to access the French public healthcare system under the same conditions as French residents. Make sure your card is valid for your whole stay in France.

VISA

Non-European students must apply for a student visa (with VLS-TS reference) as soon as they receive their official acceptance letter from Rennes SB (it can take up to 3 months to get an appointment – check with the nearest [Campus France Agency](#)). Visas must be validated as soon as the student arrives in France. The process is done online.
