Teachtaireacht ón Uachtarán

Fearaim fáilte roimh chairde agus roimh mhuintir na mac léinn a bhfuil cáilíochtaí á mbronnadh orthu inniu ar an lá fíorspeisialta seo agus déanaim comhghairdeas leo go léir. Meabhraíonn an lá seo dúinn uilig in Ollscoil na Gaillimhe cad é cuspóir na hOllscoile.

Ó bunaíodh í sa bhliain 1845, tá a gcuid ardoideachais faighte ag os cionn 135,000 céimí san Ollscoil seo. Oideachas den scoth ba ea é seo, mar is léir ó na poist ghradamacha atá bainte amach acu agus an cion atá déanta acu le himeacht na mblianta go dtí an lá atá inniu ann, ní hamháin in Éirinn ach ar fud an domhain.

Tá Ollscoil na Gaillimhe – University of Galway i mbun forbartha ó lár an 19ú haois ar an dul chun cinn agus ar na féidearthachtaí a thagann le hoideachas ollscoile. Tá páirt ag gach uile dhuine agaibh anois i stair agus in oidhreacht na hollscoile seo, in bhur dtodhchaí agus inár dtodhchaí féin. Is céimithe den tsárolscoil seo anois sibh, agus táimid lánchinnte go n-éireoidh go geal libh amach anseo leis an mbonn láidir oideachais atá faighte agaibh anseo, agus go dtapóidh sibh na deiseanna fáis, forbartha agus rathúlachta atá amach romhaibh.

Táimid ar iontaoibh 179 bliain de thraidisiún agus a bhfuil bainte amach ag na glúnta céimithe a chuaigh romhainn ón ollscoil seo, Ollscoil na Gaillimhe.

Is daoine eisceachtúla sibh go léir, agus táimid an-bhródúil asaibh. Rinne sibh bhur mbealach féin sa saol chuig an bpointe seo, agus tá tús curtha anois leis an gcéad chéim eile den aistear sin ina rachaidh sibh i gcion ar an domhan ar bhur mbealach uathúil féin. Comhghairdeas ó chroí libh go léir!

President's Message

On this profoundly significant day in you and your family's life, I extend a warm welcome to the friends and the families of our graduands, who are so deserving of our congratulations. This day reminds us all at University of Galway why we are here.

Since our foundation in 1845, over 135,000 graduates have benefited from higher education in this University, the quality of which is demonstrated by the distinguished positions they held and continue to hold, and the impact they have made and continue to make, not only in Ireland but across the globe.

Ollscoil na Gaillimhe – University of Galway has been building since the mid-19th century on the sense of progress and possibility that a university education brings. Each one of you is now part of our history and our heritage, and your future and ours. You are now graduates of this great university, and building on the wonderful educational foundation you have received here, we know you will thrive, and that you will seize the great opportunities for growth, development and success that lie ahead for you.

We stand on the shoulders of over 179 years of tradition and the strength of generations of graduates from this university, University of Galway.

You are all exceptional individuals, and we are immensely proud of you. You have each brought your own story in life to here, and you have now set off to create your own story and carve out your own niche in the world. Warmest congratulations to each and every one of you!

Teachtaireacht ón Uachtarán Ionaid agus Meabhránaí

Comhghairdeas agus Fáilte.

Inniu tá céim á bronnadh ort in ollscoil atá báite i dtraidisiún agus i stair. Bunaíodh Ollscoil na Gaillimhe sa bhliain 1845 mar aon le péire eile de Choláistí na Banríona, is iad sin Béal Feirste agus Corcaigh, agus chuir na chéad mhic léinn tús lena gcuid staidéir anseo sa bhliain 1849. Le 179 bliain anuas, d'oibríomar go dian dícheallach chun a chinntiú go mbíonn an t-oideachas is fearr faighte ag ár gcéimithe agus iad ag tabhairt faoin saol go mbeidh ar a gcumas tionchar dearfach láithreach a imirt ar an tsochaí agus ar an domhan.

Baineann gnéithe de thraidisiún maorga na gcéadta bliain, in Éirinn agus thar lear, le searmanas foirmiúil an lae inniu, agus ina measc tá mórshuíl fhoireann acadúil agus oifigigh na hOllscoile agus an másaire ag siúl chun tosaigh, na róbaí acadúla, agus úsáid na Laidine, an Bhéarla agus na Gaeilge.

Tagann an focal 'university' ón Laidin 'universitas magistrorum et scholarium' rud a chiallaíonn 'pobal teagascóirí agus scoláirí'. Is mór i gceist againn an pobal san Ollscoil seo, agus ón lá inniu ar aghaidh beidh tú mar chuid de phobal céimithe na Gaillimhe, pobal mór le rá atá de shíor ag dul i dtreise.

Táimid thar a bheith bródúil as an éacht iontach atá bainte amach agat agus do chéim á bronnadh ort inniu. Ba cheart duit féin agus do chomhluadar a bheith bródúil chomh maith. Inniu an chéad lá den chéad chéim eile i do shaol, agus tá an t-eolas agus na scileanna cuí agat ó do cháilíocht chun tabhairt faoin aistear sin. Ar aghaidh leat anois, go n-éirí go geal leat agus go mbainfidh tú gach a bhfuil uait i do shaol amach.

Message from the Deputy President and Registrar

Congratulations and Welcome.

Today you are graduating from a university steeped in tradition and history. Originally established in 1845, University of Galway as one of three Queen's Colleges alongside those in Belfast and Cork, and we admitted our first students in 1849. Over our 179 years, we have worked tirelessly to ensure that our graduates go out into the world equipped with the very best education and preparation to make an immediate positive impact in society and on the world.

The formal ceremony today, which involves a procession of academic staff and officers of the University led by a mace bearer, the wearing of academic gowns, and the use of Latin, English and Irish, has a long and proud tradition spanning many centuries, in Ireland and elsewhere.

The word 'university' comes from the Latin 'universitas magistrorum et scholarium' which translates as 'a community of teachers and scholars'. Community is something we dearly cherish here, and from today you will be part of our very prestigious and ever-growing community of Galway graduates.

We are immensely proud of your outstanding achievement in graduating today, as you and those alongside you should be too. Today marks the start of the next phase in your journey through life, equipped with the knowledge and skills that your qualification represents. Now go forwards "*Sail away from safe harbour. Catch the trade winds in your sails. Explore. Dream. Discover.*" ~ Mark Twain.
