> When a module assessment is split as per this example please ensure the % of Total Mark add up to 100% for each sitting.

HELPFUL TIPS

- In the example above the assessment types are both written paper and essay. The written paper is of 2 hours duration. It represents 60% of the assessment. The Continuous Assessment represents 40%. They are marked out of 100 with a pass mark of 40%
- AKARI will tot up the % and display; it should add up to 100%. In the above case this is correctly showing a total for first sitting of 100%.
- There should always be a Second Sitting entry, this generally follows the same entries as per 1st Sitting but with an Assessment Period of Autumn
