

# Shannon College of Hotel Management

## Interview Preparation Guide

The interview is an exciting opportunity to demonstrate your enthusiasm, communication skills, and potential for a successful career in business & hospitality.

This guide will help you prepare and feel confident on the day of your interview.

### 1. Dress Code

The interview is a formal entrance interview, and business dress or school uniform is recommended. Marks are awarded for appearance and first impression, so please present yourself in a neat, tidy, and professional manner.

### 2. Length of Interview

The average interview lasts approximately **15 minutes**. You will have a chance to ask questions at the end if you wish.

### 3. Preparation for Interview

The interview is your chance to highlight your **skills, experience, knowledge, enthusiasm, and potential**.

We recommend preparing by:

#### **Learning about the Programme:**

Know the basic structure of the Shannon College degree — for example, that it includes a blend of business, practical and professional placements.

#### **Reflecting on Your Experience:**

Think of times you've shown teamwork, leadership, or customer service — whether in school, part-time work, sports, or volunteering.

#### **Understanding the Hospitality Industry:**

Do some general research into hotels and tourism. You might be asked about different roles in a hotel (e.g., what is the role of a Marketing Manager, General Manager, Front Office Manager, Chef, Food & Beverage Manager) or how they work together to deliver excellent guest experiences.
